

Title: Market Team Leader **Status:** Seasonal, Full-time (Jan-Oct)
Reports to: Distribution & Operations Supervisor **Salary:** DOQ

This position assists Farm Management with assigned farm duties. Farmers at DWH are foundational positions as they maintain the plants daily during the entire growing season.

Responsibilities & Expectations:

Farm Operations

- Lead farm crew with daily harvests and post-harvest washing and packing in the pack shed.
- Weekly record keeping around crop availability and harvest yields.
- Lead farm crew; set pace, keep momentum in the fields, and oversee all workers so that jobs are done correctly and thoroughly.
- Lead and assist in managing volunteers in the field.
- Assist market team with seeding, transplanting, weeding and harvesting throughout the season.
- Assist in overseeing and maintaining greenhouse production, including seeding, irrigation, pest management, and record keeping.
- Assist in managing and overseeing plants in hardening off area and record keeping of transplanting dates.

Requirements:

- Familiarity with Native community and culture strongly encouraged
- Minimum of two years previous farm experience.
- Minimum of two years of supervisory experience.
- Various tractor and equipment experience.
- Demonstrate a strong work ethic
- Reliable transportation to and from farm in Hugo, MN
- Ability to lift up to 50 pounds
- Tolerance for heat and a positive attitude
- Willingness to learn and experience/interest in sustainable/organic farming
- Must follow directions well and be adaptable
- Ability to efficiently lead a group varying in age, physical ability and knowledge to accomplish daily goals
- In-person interview with farm visit is required

Must have flexibility to work occasional evenings and weekends. Must pass a criminal background check.
