**Supervisor:** Jessika Greendeer, Seed Keeper and Farm Manager; 612-874-4200 ext. 103

**Job description:** The Youth Seed Regeneration Intern will assist the farm and program staff in the day to day operations of our summer youth programs.

**Qualifications:**

- Preferred candidates have completed at least one Dream of Wild Health Garden Warriors program sessions and are between the ages of 16 and 20 during our summer programs.
- Communication skills
- Ability to take initiative and get things done independently
- Ability to adapt and keep up in a fast paced intergenerational work environment
- Ability to delegate, lead by example and get youth to help

**Roles & Responsibilities:**

- Communicate regularly with Farm Manager and other DWH staff
- Responsible for growing, harvesting and saving the Indigenous seed collection under the direction of the Seed Keeper
- Build relationships with the youth
- Keep an eye on everyone, make sure everyone is comfortable and engaged
- Adhere to and enforce the DWH [Healthy Food Policy](#) and [Good Relative Policy](#) when at the farm
- Work with DWH Program Team to identify and plan one 30-minute activity to lead for each youth program session (Cora's Kids 1, Cora's Kids 2, Garden Warriors 1, Garden Warriors 2)
- (Pending COVID restrictions) Assist with Garden Warriors Session 1 & 2 Feast Day preparations
- Attend at least one program staff meeting on Fridays during summer programs
- Attend Youth Program Intern training for a half day during the month of May
- Follow all Safety Policies & Procedures
- Assist with other farm and program duties as needed

Please **send a resume and two paragraph cover letter via email to [jessika@dreamofwildhealth.org](mailto:jessika@dreamofwildhealth.org) or mail to Dream of Wild Health % Jessika Greendeer 1308 E. Franklin Ave. Suite 203 Minneapolis MN 55404.**

Your resume should list past job experiences, extra curriculums, and **include 1-2 references**. Your cover letter should include **why** you want to be a program intern and **how** your resume experiences make you a good fit for the position.
